## ECHO TOURS TOUR INFORMATION

**Payment Schedule** A \$100.00 deposit per person must be paid in order to make a reservation. This must be submitted with a completed reservation form. Since reservations are on a first come first serve basis, no reservation will be taken unless both are submitted. We will make every effort to put you with your desired roommates. Please remember that your desired roommates do not have a reservation because their name is on your form. They must pay their deposit and sign a reservation form as well.

**You must pay the remaining balance of your tour cost no later than 35 days prior to the date of your tour.** In some cases your final payment is due even earlier. Your tour will be subject to immediate cancellation if you do not make your final payment on time. If you are signing up less than 35 days prior, you must pay the full amount in order to make a reservation.

**Cancellation Policy** Payments are refundable until 35 days prior to the date of your tour, unless your club/organization specifies otherwise. After that time payment is refundable only if you produce a substitute that was not previously signed up. Medical conditions do not change this cancellation policy. The motor coach transportation is subject to cancellation if not enough people sign up to fill a motor coach.

All damage deposit funds are pooled within each property to cover any common area damage during a given week. Common area damage charges will be divided fairly and equitably between groups staying in the hotel or condominium development.

When you check in, you will be given a damage report to fill out. **It is very important that you check your unit immediately for anything that could be considered damaged.** Write down anything you find and return it to the front desk the same evening you check in. If you do not fill out a damage report and return it, you will be responsible for anything wrong in your unit at the end of the week. If you leave your unit without cleaning it up when you check out, most properties will assess a clean up charge.

**Damage to individual units is the responsibility of individuals and will not be taken out of the common area damage deposit!!!!**

**Luggage** Please limit your luggage to one large suitcase, your ski equipment (if you are not obtaining rentals) and a small travel bag for on the motor coach. Make sure that your luggage is well identified. You are responsible for your luggage at all times. Echo Tours is not responsible if your luggage is left in a parking lot or taken by someone else. Please make sure it is always secure if you ever plan on leaving it. When you are waiting to leave on the last day, please make sure there are no valuables left unwatched, and that your luggage is locked.

**Check-In** Check-in time during the ski season is 4 PM. **If you arrive early the rooms may still not be ready until 4 PM.** Please do not expect to get in before that time. When you check-in, you will be given keys for your use. If you lose keys, you will be charged. To get a key from the front desk, you must show your tour identification.

When you check in you will be given tour identification to identify you at parties, at the front desk, and to receive discounts. You will also be given an itinerary with information on where to obtain lift tickets, ski rentals, excursions and, of course, the scheduled parties and activities.
